

## Coupons 4 Food Pantries

This coupon enables the bearer the knowledge that you have done something to help others less fortunate than yourself. With the current state of the economy, you can do something simple that can make a huge impact on somebody's people who have hard times. One day the person you are helping can be there to help others. The more coupons you save means the more people that we can help.

## What We Do:

We take donated coupons and use them to purchase products for a food pantry at a discounted price. Many times using grocery stores which double coupons can help us get items for free or close to free.

## Our Adopted Pantry

Our adopted pantry is Centenary United Methodist Church. It is located in the Linden area of Columbus, Ohio. Below are some of their volunteers.

Cereal was one of our best buys this year. We purchased this cereal for just \$1.80 each.
